

# TEAM SOUTH BEND

---

## What does it mean to be Team South Bend?

- It means we place our students as our first and foremost priority and we are relentless in our pursuit of success for ALL students.
- It means that we understand “fair” doesn’t always mean “equal”....some of our students need more because they started with so much less.
- It means that we treat students, parents, staff and community members with respect, fairness, and dignity.
- It means that we are committed, diligent, and passionate about preparing our students for both college and the global marketplace.
- It means we all market our school district and community – promoting our schools and the success of our students is EVERYONE’S job!
- It means that we function with and hold ourselves to a high degree of accountability across all of our operations.
- It means that we have to earn the trust of parents so that they will entrust their children to us.
- It means excellence in everything we do.
- It means that we are **#TEAMSOUTHBEND**....a community where students thrive, excel, and achieve SUCCESS!

**WE NEED EVERYONE TO JOIN **#TEAMSOUTHBEND****
