

Bright Beginnings and Kaleidoscope

Before and After School Programs for the students in the South Bend Community School Corporation

Registration: Register downtown at 215 S. Dr. Martin Luther King Jr. Blvd. the SBCSC building at the front desk. An annual \$10 per family registration fee is required along with completed paperwork before August 1 for the 2017-18 school year. After August 1 the registration fee increases to \$20. Once registration is completed the director will contact you about your start date. PreK may register for AM only. Regular registration for grades K-5.

Information: Bright Beginnings and Kaleidoscope are self-supporting programs funded by parental fees for service. SBCSC provides an in-kind contribution through the provision of school facilities and administrative support. After registration for the AM (Bright Beginnings Programs) students are dropped by parents at the host schools as early as 6:30. Students are cared for and then bused to their home school. In the PM (Kaleidoscope) students are transported to the host school or remain and parents pick up any time before 5:30 PM. If parents are late there is a charge. Students are provided a safe and structured program that includes a snack, homework time, reading zones, arts and crafts, community speakers and more in a safe environment.

Reasons to choose BB and K:

- All children are cared for in a safe and nurturing environment
- Receipts are given for your financial records
- Staff are trained and certified in several areas of health and safety and ongoing training is required for staff
- All children are treated with respect. Social as well as academic growth and development are encouraged and supported

To get more information you should contact the Director, Jennie Joyce at 574.393.6054 or jjoyce@sb.school or for more information about sites visit www.sb.school under programs
