

# IRS Withholding Status

## CHECK IT!

The IRS encourages everyone to use the Withholding Calculator tool to perform a quick "paycheck checkup". **This is even more important this year because of recent changes to the tax law for 2018.** There are several reasons to check your withholding, including...

*\*Help protect against having too little tax withheld and facing an unexpected tax bill or penalty at tax time next year.*

*\*Determine whether you need to give your employer a new Form W-4, Employee's Withholding Allowance Certificate. You can use your results from the Calculator to help fill out the form and adjust your income tax withholding.*

*\*Visit [irs.gov/individuals/irs-withholding-calculator](https://irs.gov/individuals/irs-withholding-calculator) TODAY.*

To internally view the details of your pay and/or update your W4, head to Employee Access ([payinfo.sbcsc.k12.in.us/RDSEmployeeAccess](https://payinfo.sbcsc.k12.in.us/RDSEmployeeAccess)) ---> Login (you should have received an activation code by email or school mail upon hire) ---> Click your name at the upper lefthand side of the screen ---> Forms ---> 2018 W4 ---> Update and Submit.
